Dear Chip:

Congratulations on the successful completion and purchase of our real estate holdings in Spokane and the three other clubs in Spokane.

Even though we were presented with higher offers by your competitors, we decided to do this transaction with you due to the referral we received from Mark Mastrov and your reputation in the fitness industry. I hope you are as satisfied with the transaction as we are.

On behalf of myself and my wife Senator Dianne Feinstein, we wish you the best moving forward in the future with your health clubs and expansion.

Best personal regards,

Richard C. Blum
